

Services for the decisions that matter.

Business guidance, immigration-focused support, investigation, and education for the people and organizations making consequential decisions.

FOUR WAYS WE SUPPORT CLIENTS DIRECTLY

FOR OWNERS & OPERATORS

Small Business Advisory

Sound financial practices, state and federal tax advantages, business viability planning, I-9 & workforce readiness, and immigration-aware continuity planning.

[Get Business Guidance →](#)

FOR LAW FIRMS

Private Investigation

Witness location and interviews, background research, scene documentation, and organized evidence packages prepared with courtroom use in mind.

[Request Investigation Support →](#)

FOR CRIMINAL DEFENSE

Immigration Triage

Early consequence screening, practical case context, and a clear written briefing that helps your team identify immigration exposure before a decision is final.

[Triage a Case →](#)

FOR INDIVIDUALS & FAMILIES

Forms Review Appointments

Virtual or Houston-office appointments with a careful pre-submission review of forms and supporting documents, plus plain-language explanations of what you sign.

[Book an Appointment →](#)

Clear options. Usable information.

ALS Academy works with individuals, businesses, law firms, and organizations that need direct, grounded support.

A NOTE FOR FORMS REVIEW

This service is educational assistance and document review, not legal representation.

THE GOAL

More complete information, better preparation, and a more confident next step.

Let's find the right next step.

Tell us what you need. We will connect you to the right service or workshop.

Correct and complete information— built for your audience.

In-person workshops on current immigration actions, issues, and their real-world impact. Private briefings and tailored programs are available.

Immigration education that people can use.

A practical alternative to rumors and fear-based guesswork. Bring current, accurate context to the people making decisions and serving others.

CLE FOR LEGAL PROFESSIONALS

Credits offered for participating attorneys and legal professionals. Contact us for accreditation details.

CHOOSE THE INTENSIVE THAT FITS YOUR AUDIENCE

GENERAL PUBLIC

Immigration Intensive

Plain-language guidance on current immigration actions, forms, and deadlines for residents and families supporting themselves or a loved one.

NON-LEGAL PROFESSIONALS

Immigration Intensive

For teachers, social workers, healthcare staff, and others who serve immigrant communities and need practical context for the people they help.

BUSINESS

Immigration Intensive

How immigration actions affect your business and workforce—and what employers need to know before an issue arises.

LEGAL PROFESSIONALS

Immigration Intensive

Current, practical information on immigration consequences in client matters for attorneys, paralegals, and legal staff.
CLE credits offered — contact us for accreditation details.

PRIVATE SESSION OR CUSTOM PROGRAM

Build the workshop your team actually needs.

Tell us your audience, time window, and the questions your team keeps asking. We shape the agenda, materials, and depth around you—from a one-hour briefing to a multi-session intensive, at your site or ours.
